

HOW TO USE CUSTOM FLYERS

STEP ONE

Login to Optisizer.com and click on "Custom Flyers" on the left side menu.

STEP TWO

Fill in your email, name, and company name.

To continue, please enter your information below.

Email

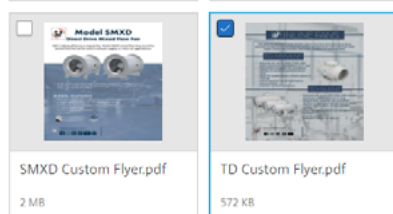

First Name

Last Name

STEP THREE

Click the check-box of the flyers you would like to download and then click 'download.' You can download as many flyers as you would like.

On this screen, you can enlarge the flyers by clicking on the flyer name.

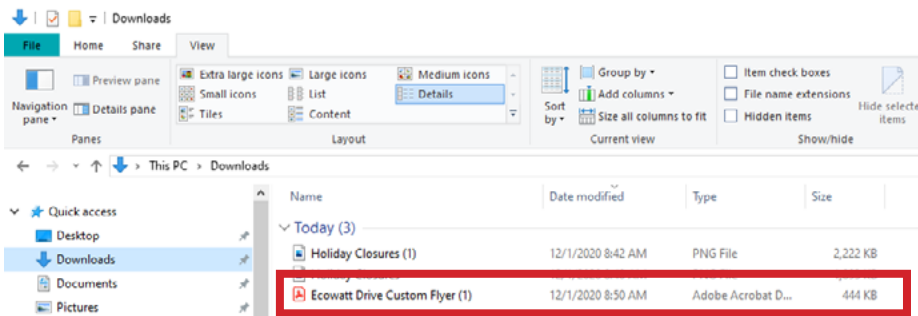

1 Items Selected

Download

STEP FOUR

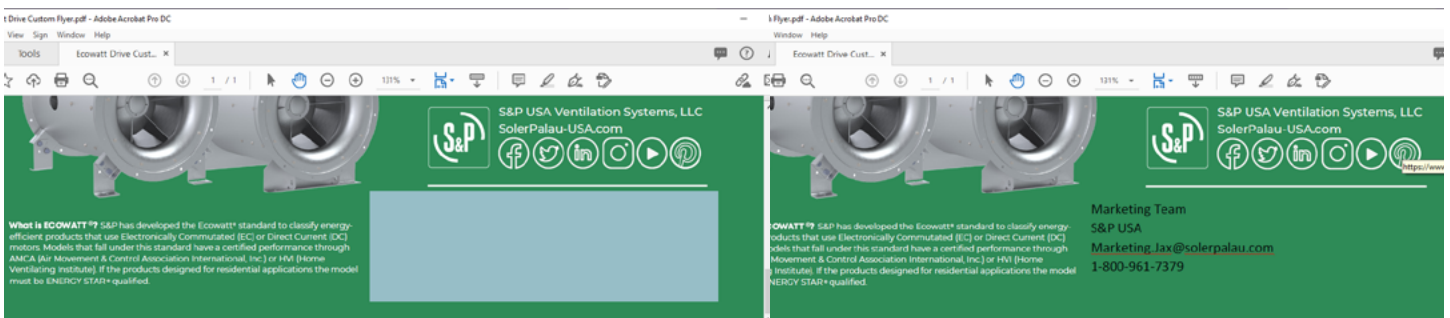

The flyer will be saved to the 'downloads' folder on your computer. Open the file.

STEP FIVE

Click on the highlighted box (normally in the bottom right corner of the flyer). Type your contact information.

Try typing in the practice box below.

STEP SIX

Save your changes by going to 'file' and clicking 'save.'

When you open the flyer, it will include your contact information
